

TISS Field Action Project - **REKKALU** - Skilling and Vocational Education for
Rehabilitation of Adolescents in Childcare Institutions

CALL FOR APPLICATIONS FOR 2 POSITIONS

8th February 2022

Project Description:

TISS Field Action Project 'Rekkalu' aims to strengthen the rehabilitation of vulnerable children in institutions by providing diverse and tailor-made vocational education and skilling opportunities. This project is being implemented in 4 government-run childcare institutions in Hyderabad since August 2021. Rekkalu is an initiative of the ongoing project 'ROOTS of Children in CCIs' aimed at strengthening of comprehensive rehabilitation for children in the institutions through psycho-social intervention, in implementation since 2018. The project adopts a multi-stakeholder approach, and attempts to bring together the government systems, corporates, voluntary organisations, and skilling platforms to build a robust vocational education programme for social reintegration of vulnerable adolescents.

The project is being implemented under the Centre for Equity and Justice for Children and Families, School of Social Work, TISS, Mumbai, in partnership with Department of Juvenile Welfare and Correctional Services, Govt of Telangana and Tata Advanced Systems Limited, Hyderabad.

Applications are invited for the following position in the project Rekkalu for a period of 6 months, subject to extension based on the performance of the candidate.
