

## Advertisement for a Post-Doctoral Research Associate at IIT Hyderabad, India

| No. | -                     | Post-Doctoral Research Associate   |
|-----|-----------------------|--|
| 1   | Name of PIs           | Prof. Kirti Chandra Sahu and Dr. Lakshmana Dora Chandrala                      |
| 2   | Webpage of PIs        | https://people.iith.ac.in/ksahu/index.html                                     |
|     | •                     | https://sites.google.com/mae.iith.ac.in/lakshmanachandrala/home                |
| 3   | Title of the Project  | Development of accurate rainfall models by studying the influence of           |
|     | v                     | meteorological parameters on raindrop dynamics                                 |
| 4   | Nature of the project | Experimental Fluid Dynamics  |
| 5   | Description of the    | SOCH (Stimulated Opportunities for addressing Challenges of                    |
|     | project               | Humanity) Project  |
|     |                       | This project aims to understand how phase change, coalescence, break-up,       |
|     |                       | temperature, humidity gradients, and air currents affect the hydrodynamics     |
|     |                       | of raindrops, intending to integrate with weather forecasting and              |
|     |                       | precipitation modelling. This is the first time in the world that we have been |
|     |                       | developing a laboratory-scale experimental facility that can account for       |
|     |                       | local atmospheric conditions at various altitudes.                             |
| 6   | Funding Agency        | IIT Hyderabad  |
| 7   | Minimum educational   | PhD in Mechanical engineering, Aerospace engineering, Chemical                 |
|     | qualification         | Engineering  |
| 8   | Salary                | Rs. 47,000 + 24 % HRA (as applicable)  |
| 9   | Tenure of             | 1 years (will be evaluated after one year)                                     |
|     | employment            |  |
| 10  | Last date of          | 25 <sup>st</sup> June 2023   |
|     | application           |  |
| 11  | Mode of selection     | Short-listed candidates will be called for online interview                    |
| 12  | Tentative date of     | Last week of June 2023   |
|     | interview             |  |
| 13  | Mode of application   | Online   |
|     |                       | Applicants are requested to fill online form and upload a full CV (with the    |
|     |                       | photograph) along with relevant documents.                                     |
|     |                       |  |
|     |                       | Link of application form:  |
|     |                       | https://forms.gle/22AKNoUcuCpRf4Uc8  |
|     |                       |  |
|     |                       |  |
| 14  | For more information  | lchandrala@mae.iith.ac.in; ksahu@che.iith.ac.in                                |
|     | contact               |  |

## **Note:**

- PI reserves the right to alter the number of vacancies or keep it open till the deserving candidate is found.
- Interested candidates should upload their CV.
- Online interviews will be conducted for the shortlisted candidates. The online interview date will be informed to the shortlisted candidates.
- Candidates with prior experience in the relevant area will be given preference.
- Candidates who have submitted their thesis are also eligible to apply with a no objection or provisional certificate from their institute.
- Candidates may contact the PIs for further clarification.
